

## Lane County Health & Human Services is currently recruiting for Nurses and Medical Assistants

- *Do you want to serve the underserved citizens of Lane County by delivering quality healthcare?*
- *Are you available 8 to 40 hours per week – or – available to fill-in?*
- *Have you ever thought about a permanent career with us and wanted to give us a try?*

We are asking members of the medical community who can offer part-time or full-time care to assist us with our immediate need for medical staff. We offer competitive wages and flexible schedules at multiple locations.

If you are currently certified or licensed and available for either part-time or full-time, we encourage you to apply for this opportunity to “try us out.”

We offer compensation at an hourly rate as well as liability insurance for providers.

We are the primary source for uninsured and underinsured citizens of Lane County. Our mission is to improve the health and wellness of our community by providing access to affordable holistic healthcare. We believe that healthy people are the foundation of healthy communities and each of our clinics provides superior, affordable primary care for infants, children, adolescents, adults and seniors.
