SEPTIC TANK DECOMMISSION
(ABANDONMENT)

Township_____ Range_____ Section/1/4 Section_____ Tax Lot_____

If you are connecting to an area-wide sewage collection system or you are replacing your septic tank, please don't forget to properly decommission your septic system. An unattended and forgotten septic tank can become a serious danger for everyone's safety. Present Oregon regulations require you to properly decommission the septic tank as described below. Please have this form signed by the appropriate people and return the completed form to:
