THE REPORT IS NOT A PERMIT FOR SEWAGE SYSTEM INSTALLATION

The area described on the attached plot plan dated _____ is _____ for a _____ system.

Additional Comments _____

NOTE: If this report approves a sand filter or pressurized distribution system, then detailed construction design plans will be required with the installation permit application.

THIS IS A PRELIMINARY REPORT WHICH DOESN'T ENSURE THE ISSUANCE OF A FUTURE BUILDING PERMIT. ANY PLANS OR EXPENDITURES MADE IN RELIANCE UPON REPORT ARE AT YOUR OWN RISK. IF SITE IS APPROVED , SEE REVERSE SIDE.

WARNING: This Site Evaluation is a technical report to determine if on-site system will function properly. It doesn't approve the proposed use of the parcel. This Site Evaluation may be converted to a construction permit only if the parcel & use meet land use regulations in effect at the time of application. YOU ARE URGED TO CONTACT YOUR LOCAL PLANNING OFFICE FOR LAND USE REVIEW.

FROM: LANE COUNTY SUBSURFACE SANITITAIION PROGRAM

SUBJECT: CONDITIONS OF SITE APPROVAL

1. Any alteration of the natural conditions in the area approved for the on-site system or the placement of a well within 100 feet of the approved area may void this approval
2. This approval is given on the basis that the lot or parcel described above won't be further partitioned or subdivided and conditions on subject or adjacent properties haven't been altered in any manner which would prohibit issuance of a permit in accordance with ORS 454.605 through 454.755 and the Administrative Rules of the Environmental Quality Commission. Any such subdivision, partitioning or alteration may void this report.
3. This report is valid until an on-site sewage system is installed pursuant to a construction permit obtained from Lane County, or until earlier concellation, pursuant to Commission rules, with written notice thereof by the Department of Environmental Quality (DEQ) to the owners according to Department records, or the County tax records. Subject to the foregoing; this report runs with the land and will automatically benefit subsequent owners.
4. Only persons having a valid license issued by the DEQ under ORS 454.695 to install subsurface sewage disposal systems or an owner or contract purchaser or his/her regular employees may install subsurface sewage disposal systems. A certificate of satisfactory completion won't be issued if person other than the above performs the installation.
