

Recycler's Guide to Paint Disposal

*PaintCare is
a new statewide
collection program
that collects unused
leftover paint*

**Lane County Public Works
Waste Management Division**

3100 E. 17th Ave • Eugene, OR 97403

Latex paint is not a hazardous waste.

Reduce leftover paint by buying only what you need, and using what you buy. If applying a second coat doesn't use up leftover paint, see if friends and neighbors can use it. If your latex paint can is less than a quarter full, solidify it by adding sawdust, cat litter, or other dry material, then throw it in the trash. Otherwise, if the latex paint can is more than a quarter full it can be recycled.

New State-wide Collection Program for House Paint—PaintCare
