DETAILS:

As a result of a six month investigation, the Lane County Sheriff's Office served a search warrant last Monday, July 9, 2007. Sheriff's Office investigators believed marijuana and methamphetamine was being distributed from the residence.

The above listed individuals were at the residence when the warrant was served, and were arrested.

As a result of the search, Sheriff's Deputies seized marijuana, methamphetamine, prescription medications, various types of drug paraphernalia, 9mm ammunition, a set of two-way radios and a surveillance camera that was operational in one of the bedrooms.

Some of the methamphetamine that was seized is known on the street as "strawberry meth".
