DETAILS: On February 14, 2006 at about 12:43 PM the Lane County Sheriff's Office received a report of a hit and run that occurred at the Emerald Valley Storage facility on N. Mill Street in Creswell, Oregon.

Lane County Sheriff's Detective Mark Nelson received information from the Springfield Police Department in February of 2006 regarding a possible suspect vehicle that had been contacted by their agency while parked near an unrelated

stolen vehicle that was recovered by Springfield Police Department. Ultimately it was this information that resulted in a successful investigation culminating in the arraignment of Mathew Granger for this incident. After striking Mr. Jensen while fleeing the storage facility Granger stopped and abandoned the trailer he was towing at the east end of West Walnut Lane, off of Highway 99, North of Creswell. Granger then continued north into Springfield.

Granger is being held pending trial at the Lane County Jail on charges of Assault II (Class B Felony), Burglary II (Class C Felony), and Failure to Perform the Duties of a Driver to Injured Person (Class B Felony).
