Lane Community College

DETAILS:

On Saturday October 7, 2006 from 8:30AM until 4:30PM the Lane County Sheriff's Office in conjunction with Lane Community College will be conducting a safety internet education course for parents.

The class is open to any interested person 18 years of age or older. Prior computer experience is not necessary.

Course topics will include:

- **Computer hardware and software basics**
- **Getting connected to the Internet**
- **Newsgroups, Blogs, Myspace etc...**
- **Hacking**

- **Internet fraud**
- **Setting rules and expectations**
- **Internet chat (instructors will log on live as a child and let you see what your children may experience)**
- **Searching the internet for information on you and your family**
- **Windows basics and finding hidden files**
- **Internet addressing**
- **E-mail**
- **ID theft and protecting your privacy**
- **Copyright issues**
- **Sex crimes- including methods used by sexual predators to locate and manipulate their victims**
- **Filtering, blocking, and monitoring Internet activity with software**
- **Parental controls**
- **Searching your computer to see what your children have been doing.**

Seating is limited and pre-registration is required. To register for the class call 541-463-5252 Course #23731

There is a class a fee of 15.00
