**LANE COUNTY SHERIFF'S OFFICE**  
**NEWS RELEASE**

---

**CASE NUMBER: 2010-4113**

**DATE/TIME OF INCIDENT: 06/14/2010 at 1900 Hours**

**DATE/TIME OF RELEASE: 06/16/2010 at 1700 Hours**

**NATURE OF STORY: Found Human Remains**

**LOCATION: McKenzie River at Camp Creek Road  
and Sky High Drive**

**DETAILS:**

**On Monday, June 14, 2010, a local citizen located what was determined to be a human jawbone on an island in the McKenzie River.**

**Lane County Search and Rescue personnel, including Dive Team members, searched the island and surrounding water for additional remains. No additional remains were located. Investigators do not believe that the individual died recently.**

**The Lane County Sheriff's Office and the Lane County Medical Examiner's Office are working together to establish the identity of this individual.**

**Additional information on this investigation will be released as it becomes available.**

**Prepared by: Deputy Wade Martin, LCSO Search & Rescue**
