Sheriff's deputies responded to 911 calls reporting a fight between several adult males occurring in a parking area at 4215 Franklin Boulevard. Deputies, assisted by officers from the Springfield Police Department, found Taylor at the location suffering several visible injuries apparently from an assault. Deputies located Chartrand, Pyritz and Mejia approximately ½ block away behind a vacant tavern building and determined they were involved in the incident. Taylor and Chartrand were transported by ambulance to area hospitals for treatment of injuries sustained during the incident. Chartrand was released to deputies following treatment. The nature and extent of the injuries sustained by Taylor and Chartrand are not considered life threatening. The dispute involved knives; however, it is not confirmed if any of the involved sustained knife wounds. Taylor remains hospitalized for treatment of his injuries.
